My dear Mrs. Manley:

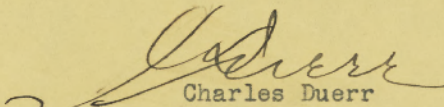

I am writing to ask if it would be possible for your Newark Eagles to participate in the above mentioned affair next month.

Would appreciate an early reply so that we may make our plans accordingly.

You may contact me at my office, and I will go into further details with you then. My address and telephone number are: 100 Shipman Street, Newark, Market 3-2373.

Awaiting your reply,

Very truly yours,

Charles Duerr
